ProjExec® Enterprise Modules

ProjExec Enterprise Modules can be licensed separately on top of ProjExec Express. ProjExec Express licenses need to be upgraded to ProjExec Enterprise foundation (which includes configurable Workflow and Reporting) + at least one of the following Enterprise modules:
- **Issue Management**
- **Change Management**
- **Time Management**
- **Financial Management**

ProjExec Part Number	Name	Description	Price (excl.VAT)
PEUEFO01	ProjExec Enterprise Foundation Upgrade from Express	ProjExec Enterprise Foundation is priced exactly the same way as ProjExec Express but requires licensing at least one of the Enterprise modules below. Includes configurable Workflow and Reporting.	No upgrade charge to ProjExec Express outside of additional Enterprise modules
